

A must see group of acrobats that will literally take your breath away.

Winner of the ITV1 Olympics Themed talent show "Let's Get Gold".

Wowed the celebrity judges with their technique, strength, skill & creative flair.

Infusion of choreography & complex acrobatics is a delight for spectators.

Based in the UK & available for events nationally and internationally.

Rio Ferdinand - "Fantastic", "Pure style and grace"

"The Acrobatic Gymnasts are simply fantastic. They got the 2012 BBC North East Sports Awards off to a magnificent start with an explosion of breath taking talent. We particularly appreciated their professionalism and wouldn't hesitate to work with them again." **Darren Taylor, BBC**

Freddie Flintoff – "Properly entertaining"

"The Acrobatic Gymnasts were amazing and definitely added the WOW factor to our awards ceremony. Their performance was impressive, professional and dramatic and had us all on the edge of our seats. I'd happily recommend them to anyone looking to add some extra sparkle to their event."

Katy Clarke, Gateshead College

Martine McCutcheon - "The most fantastic thing"

"The Acrobatic Gymnasts provide a stunning show-opener which immediately grabs the audience's attention. I have no hesitation in recommending them – they are professional, spectacular and a joy to work with."

Peter Barron, The Northern Echo

Una Healey - "Unbelievable", "Amazing", "Perfection"

Acropolis is part of Deerness Gymnastics Academy - Charity Number 1144352 - Company Number 7790722

Available for corporate, private and commercial bookings.

WOW your guests and have them on the edge of their seats, as a team of elite GB international medal winning acrobats entertain, enthrall and captivate, with beautiful gymnastics and stunning choreography.

Including the current European and World acrobatic Champions, 'Acropolis', the winners of ITVs Let's Get Gold, can perform a variety of acrobatic skills, demonstrating strength and power mixed with a unique style and creative flair.

For a full Acropolis show the performance space required is 8m x 8m with a height clearance of 7m. However performances can be adjusted to fit other performance areas – please discuss your venue with us.
If flooring is not suitable then mats can also be supplied
